Centreville, MD 21617

Dear Mrs. Minor:

I am writing to acknowledge receipt of your letter concerning restrictions on large trucks in the town of Centreville.

I regret I cannot be with you on the 16th due to a prior engagement in Kent County. I support your concerns about truck traffic in Centreville and I am pursuing the issue with the State Highway.

Please continue to keep me advised as I will keep you informed on my efforts. ~

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Sossi'.
